

# Project Portfolio

## West Lodge School

### Background

West Lodge is a co-educational preparatory school for 3 - 11 year olds, providing a caring, secure and intellectually challenging environment located in Sidcup Kent.

### Scope of Works

The project involved the demolition of existing conservatories, a new classroom extension comprising of toilet facilities and internal remodelling of existing areas including the Head Teachers office and staff room.

Large bespoke lantern lights were fitted to the flat roof above the new classroom and a folding acoustic partition was installed to divide the new classroom for separate lessons.

The existing kitchen area was fitted out with bespoke stainless steel furniture the new orangery circulation area floor coverings were finished with a Victorian mosaic tile centre piece.

In general terms the work comprised of:

- New mechanical and electrical services.
- Cavity masonry wall construction to extension.
- Flat roof covered with single ply Sarnafil.
- Powder coated aluminium windows and doors including a large bi-fold folding door system.
- Acoustic and hygiene specification suspended ceiling to suit usage of new areas.
- External landscaping with new dwarf walls, timber decking, ramps and patios.

*"The Project went extremely well and we were delighted with the finished scheme."*
